Throw N' Go Berm

- No assembly required
- Walls lay flat when not in use
- Fastest deployment in the industry for portable spill containment systems (simply throw and go)
- It can be driven on at any angle
- 2' wall availability permits smaller footprint
- In the event of a spill, walls automatically rise to create a catch basin
- Optional built-in track mats help prevent damage to the berm
- Berm contains no working parts which would malfunction
- Meets U.S. regulations for spill containment
- Heavy-duty 30 ounce fabric is appropriate for water, hydrocarbons, and most chemicals
- Easily emptied through 3/4" drains
- Available in Desert Tan; OD Green; and Black
- Custom sizes available
